

NMO Online Syllabus

Overview:

The NMO Online Study Materials consist of 11 self-paced, online chapters, including the Introduction module. The Summary page includes a PDF file of the lesson and links to important online resources (including the CBOE Constitution & Rules Book) and is available at the end of each lesson.

Within the Introduction module you will find supplemental PDF downloads, additional links to online resources (including the CBOE Constitution & Rules Book), and a practice exam with an answer key.

Table of Contents:

Please Note: *It is recommended that you study the material in the following order.*

- NMO** - Introduction
- Chapter 1:** Definitions
- Chapter 2:** Background Information
- Chapter 3:** General Trading Practices
- Chapter 4:** Hybrid Trading
- Chapter 5:** Linkage
- Chapter 6:** DPMS & eDPMS
- Chapter 7:** Market Makers & RMMs
- Chapter 8:** Floor Brokers
- Chapter 9:** Ethics – Market Regulation
- Chapter 10:** Extraordinary Products

Registration Instructions:

In order to view the CBOE online courses, you must register with the cboe.com website. Simply go to the homepage and select the "Register" link from the MyCBOE tab. (Fill in all required fields).

Once you have completed the above registration, you will be logged into MyCBOE.

You should now go to the following page and click on the "My Courses" button (near the bottom of the page):

<https://www.cboe.org/members/generalinfo/rmm.aspx>

You will be prompted for a registration code, please enter the code that you received from the Options Institute, in the field provided.

That will take you to a brief investment profile that contains some required fields. Once you complete the profile, you will be forwarded to a Course Status Page (**CSP**).

The **CSP** will list the course created for the New Member program. It is recommended that you study the materials in the order specified earlier in this document.

Please Note: *There are no charges associated with these courses but in order to view them, you will need to enter your name into the field provided on the "payment" screen.*

Other Course Information:

Return to Course Status Page - To return to your CSP, simply select the MyCourses button found on this page:

<https://www.cboe.org/members/generalinfo/rmm.aspx>

Download Lesson - For your convenience, each module contains a downloadable file, in Adobe Acrobat (.pdf) format. That file will contain a complete text version of the lesson.

The PDF file is available from the summary page that follows the lesson. If you do not currently have the Adobe Acrobat pdf viewer, you may visit the following page in order to download the viewer:

<http://www.adobe.com/products/acrobat/readstep2.html>

Bookmark - This feature allows the user to bookmark their location in each module enabling a quick return to that page upon the next visit. To utilize this feature simply click on the bookmark icon while on the page you wish to bookmark. To return to your bookmarked pages, simply select the link from your course status page.

Practice Exam and Answer Key:

You may access a practice exam and answer key from the “NMO – Introduction” module.
