CBSX Trader News Update

Industry-Wide Disaster Recovery & New Short-Sell Rule Testing

Overview and Effective Date

CBSX's Systems and Operational Staff will be available for testing on Saturday, October 23, 2010. Both Disaster Recovery and "Production" data centers will be utilized.

Testing for Rule 201 of Regulation SHO will only be available through the Exchange's "Production" systems. To conform with the upcoming short sale price test requirements under Rule 201 of Regulation SHO, CBSX quotes and orders, as well as the stock leg of CBOE multi-leg orders that are electronically routed to CBSX for execution, will be required to indicate Long, Short or Short Exempt when appropriate.

Format specifications are currently available.
