Effective February 13, 2006, CBOE and the other options exchanges intend to change the close of normal trading hours in equity options and in narrow-based index options from 3:02 p.m. (Chicago time) to 3:00 p.m. (Chicago time). The closing time of 3:15 p.m. for broad-based index options and broad-based options on ETFs\(^1\) is not being changed. (Below is a list of the broad-based index options and options on ETFs that close at 3:15 p.m.) In general, all option classes that currently close trading at 3:02 p.m. will now close trading at 3:00 p.m.; and, all option classes that currently trade until 3:15 p.m. will continue to trade until 3:15 p.m.

If you have any questions, please contact Kerry Winters in Market Operations at (312) 786-7100 (Help Desk).
